**Notes from the Designer:** A few words about sizes: Over the years, I've experimented a great deal with stitches, knitwear construction, and yarns—especially the chunky ones I love so much—to play with scale and create the silhouettes I want for garments. Many Twinkle knits feature a snug, body-shaping fit that looks fresh in big yarns. In some cases, proper fit means that the dimensions of the finished piece may seem smaller than you'd imagined. Therefore, if you're a size medium, follow the instructions for a size medium sweater even if the diagram measurements aren't what you expected. The sizing in the book is consistent based on how the garment is supposed to fit on the body. The finished garment measurements are not the person's body measurements. The general sizing standard of chest in the book is: XS = 31"–33"; S = 33"–35"; M = 35"–37"; L = 37"–39". For example, if you wear size small (or size 2 and 4) generally, regardless what the finished measurement is for that sweater, you should knit S size.

**Page 84:**  
**Groovy Sweater (Dress)**

Sizes: S (M, L)

**Page 86:**  
**Groovy Dress**

**DRESS** (second column, fourth paragraph): Rnd 1: P1, m1, p2 (3, 4), work Bobble Vine Pattern across next 16 sts, p2 (3, 4) m1, p1, pm, purl across Back sts—Back: 22 (24, 26) sts, Front: 24 (26, 28) sts.

**Page 88:**  
**Best Friend Cardigan**
